Service Description:

A regional center shall classify an Adult Residential Facility (ARF) as a non-medical facility which provides 24-hour care and supervision to individuals. It is a staff-operated facility for adults 18-59 years of age. High Level 4 (Levels 4G – 4I) homes provide care, supervision and professionally supervised training for persons with severe deficits in self-help skills, physical coordination and/or disruptive or self-injurious behaviors. Additionally these homes provide each individual with 16 hours of behavior consulting services every 6 months, by a licensed psychologist or a Board Certified Behavior Analyst (BCBA). Maximum capacity for these homes will be 4 residents or less.

The facility should provide a home-like environment and consideration will only be given to single story homes with a maximum licensed capacity for 4 residents. It is preferred that each resident have their own bedroom and that at least one bedroom be cleared for a non-ambulatory individual; wheelchair accessible preferred. All Level 4 facilities must be prepared to have 24 hour awake, shift staff.

General Requirements:

All potential licensees/administrators for these facilities must have a minimum of twelve (12) months of full time paid experience in providing direct supervision and special services to persons with developmental disabilities in a comparable licensed residential setting.

Licensees/Administrators should have knowledge of both Title 17 (Sections 56001-56067) (www.dds.cahwnet.gov) and Title 22 regulations – Adult Residential Facilities (www.cclcd.ca.gov)

Administrators will be required to participate in an interview conducted by SG/PRC to determine qualification for requested service level.
