

Benefits and Employment Workshop 2018

November 7, 2017 9 am - 12 pm and 1 pm - 4 pm

Presented by Mike Walling M. Ed.

(Registration will be limited to 100 seats per session)

Presented for: Beneficiaries, Parents, Providers, and Human Services Professionals.

Overview: The workshop will be presented in two sessions. The morning session will focus on key points of Medicare, SSDI, and work incentives. The afternoon session will focus on, Medi-Cal, SSI, and work incentives. Both sessions will provide an overview of how wages, unearned income, and resources affect continuing entitlement and/or eligibility for these programs. The workshop will help beneficiaries make informed choices of earning competitive income and still qualify for medical benefits and benefit payments, rather than pursue the perception that people must limit their income to protect their benefits. If the person receives payment on the 3rd of each month, attend in the morning 9am - noon. If the person receives payment on the 1st of each month, attend the afternoon session 1pm - 4pm. If the person receives payments on the 1st and the 3rd of the month, it would be beneficial to attend both sessions.
